OUR SAW FACILITY IN JACKSON, PA

Geo. Schofield Co., Inc., is a full service quarrier and producer of Pennsylvania bluestone and a wholesale distributor of decorative aggregate products. Our business was founded in 1923, and in the past 85 years, we have earned a reputation for reliability and integrity. We welcome the opportunity to introduce you to our products and look forward to providing you with additional information, product samples, quotations and consultation services.

We offer a broad range of wallstone, flagstone, steps, boulders, and bulk stone products. Geo. Schofield Co., Inc. has also recently expanded the capacity of our saw facility in Jackson, PA. The saw facility produces treads, sills, slabs and special order sawn bluestone products, as well as tumbled cobbles and pavers.

Our customer service team includes an outside sales force, an inside sales group and a quality manager. They are 100% committed to responding to the needs of our customers, ensuring quality, and delivering exactly what you need, when you need it.
